

COLOR SELECTION CHART

STANDARD PAINTED COLORS

Navajo White

Northern White

Charcoal Grey

Aluminum

Statuary Bronze

Desert Tan

Neutral Grey

Gloss Black

OPTIONAL PAINTED COLORS - **Custom colors, are available at additional cost.** Please contact your local QMark sales representative. Clear and Bronze Anodized finishes are available for Type DBA/SHA and DSH convectors only.
NOTE: All colors are approximate - as nearly correct as can be produced by modern printing.

PAINT POLICY

Primer: For applications that require a primer coat, a "Neutral Grey" powder coat will be provided as standard color. If needed, consult factory for more detailed information.

To minimize the possibility of error when ordering material painted a custom color, a color chip of the custom color must be included with the order.

The chip must be a minimum 3" x 5" and be of the same material as the enclosure of the ordered heater (ie, Steel or Aluminum).

NOTE: All colors are approximate - as nearly correct as can be produced by modern commercial printing.
